2013 Morningstar Analyst Ratings for 529 College-Savings Plans

Morningstar evaluates college-savings plans based on five key pillars—Process, Performance, People, Parent, and Price—which its analysts believe lead to plans that are more likely to outperform over the long term on a risk-adjusted basis. Morningstar evaluated 64 of the largest plans this year, covering approximately 98% of the \$181 billion in U.S. 529 plan assets.

These plans are our highest-conviction recommendations and stand out as best of breed for their ability to help college savers meet their goals.
